Open Access – A Scientist’s Perspective

Thursday, 7 November 2019 15:40 (25 minutes)

Prof. Dr. Peter H. Seeberger will discuss open access and its implications on publishing from the scientists perspective. As a chemist and biochemist who directs a department of 90 coworkers as well as the editor-in-chief of the platinum open access journal “Beilstein Journal for Organic Chemistry” he can offer different perspectives.

Presenter: SEEBERGER, Peter H. (Max-Planck-Institute of Colloids and Interfaces Department of Biomolecular System, Freie Universität Berlin)
